

SPEECH AND DRAMA TUTORIAL

Dear Parents,

There will be a few vacancies from September 2020 for pupils wishing to take up Speech and Drama lessons. If you would like your son / daughter to begin lessons, please return the slip below, via the office, by Friday 20th May 2019. Please note the lessons are available to children in Lower Trans onwards and that the older girls will take priority.

The children taking these lessons will be put into groups according to their needs. Grouping in this way allows a fuller exploration of the many aspects of Speech and Drama that will be covered.

The children will look at poetry, prose and Drama and develop an appreciation and understanding of the spoken word and a love of literature. There will be progressive preparation in oracy - speaking, reading and listening - and those wishing to do so can take Speech and Drama examinations with the Victoria College of Speech and Drama.

Festival work will also be available if required, giving the children a chance to perform in front of an audience and to gain confidence in speaking and communicating.

Although not compulsory I do encourage the children to take part in either the Festival or examination as this does help in their development.

Please note that lessons cost £80.00 per term, and that your child will receive approximately 30 lessons each academic year. A full term's notice in writing is required in the event of a pupil wishing to discontinue lessons.

Yours sincerely,

Tina Quinn
